Transforming spaces into stunning works of art — Welcome to Sino Home , where creativity meets craftsmanship.

At Sino Home, our mission is to bring dreams to life through innovative design, meticulous attention to detail, and a commitment to exceeding our clients' expectations. We believe in creating spaces that inspire, uplift, and reflect the unique personality of each individual.

With over 20 years of experience in the decoration industry, we have honed our skills in residential and commercial design. Our team of talented designers, architects, and craftsmen have transformed countless homes, offices, hotels, and retail spaces into stunning environments that leave a lasting impression.

What makes us stand out is our unwavering commitment to eco-friendly practices. We prioritize sustainable materials and techniques, ensuring that every project we undertake is both visually captivating and environmentally responsible. Our personalized approach to design means that we take the time to understand our clients' vision, incorporating their unique style and preferences into every aspect of our work.

We take pride in our accomplishments, having been recognized with the prestigious Luban Award for our outstanding design work. Our portfolio includes collaborations with renowned brands and esteemed clients who have trusted us to bring their visions to life.

Whether you're looking to transform your home, office, or retail space, we would love to be a part of your journey. Contact us today at 510-673-7032 or visit our website to explore our portfolio and arrange a consultation. Let's create something extraordinary together
